JOEY SILVA 512-550-5930

Slop Musket blends dark introspective hip hop vocals with rock-infused melodic harmonies. Their music cultivates deep imagery through thought provoking lyrics and energetically raw performances, proving that live hip-hop does not solely breathe within the constraints of funk and soul backdrops.

*"If anyone ever gets a chance to see these guys live, do it. Their theatrics are amazing and they make you LIVE their feelings" - Sarah Jacobs*

*"This was the best band I saw at Warped Tour" - Edward Poveda*
